

Consensus
Heartland Directors' Cut Shiraz 2013

YOU CAN TASTE IT FROM WHERE YOU ARE

Glass-staining purple. Complex aromas of ripe blackberry, vanilla, potpourri and smoky minerals, with a floral accent building in the glass. Very sweet and supple texture, with intense black and blue fruit and violet pastille flavors gaining weight and spiciness with air. Finishes sappy and very long, with supple tannins, impressive vivacity and lingering floral and vanilla notes. This youthful wine deserves some patience.
