

YOU CAN TASTE IT FROM WHERE YOU ARE

Blend of Cabernet Sauvignon (63%) and shiraz (37%).
Matured in both French and American oak; the latter dominates. Mint, blackberry, tar and coffee ground flavours with a touch of caramel. A wall of flavour in some ways, though it doesn't come across as overly heavy. Nor does it seem overly sweet. Indeed it's approachable given the magnitude of its aspiration.

James Halliday WINE COMPANION | July 26, 2014

Bright purple. Potent black and blue fruit preserve aromas are complemented by vanilla, mocha, woodsmoke and Indian spices. Plush, palate-straining cassis and cherry liqueur flavors show excellent depth and a velvety, seamless texture, with a subtle mineral quality adding lift. An exotic violet pastille note builds on the sharply delineated, clinging finish with soft, round tannins folding into the wine's lush fruit.

Deep garnet-purple in color and presenting intense notes of crème de cassis, preserved plums, licorice and tar with hints of cigar boxes, mocha and bacon, the medium to full-bodied 2012 Heartland One Cabernet Sauvignon Shiraz is taut and muscular in the mouth structured with a firm backbone of grainy tannins and balanced acid through to a long, layered finish.
